## RESEARCH INTERESTS

---

Information Extraction, Large Language Model, Natural Language Processing

## EDUCATION

---

**Shandong University**, Weihai, China

09 2021 — 07 2025

Bachelor of Computer Science

Cumulative GPA: 88.14/100

## ACADEMIC EXPERIENCE

---

**Natural Language Processing Lab**

Shandong University, China

*Research Scholar*

05 2023 — Present

- Investigate the field of Named Entity Recognition and Relation Extraion, including paper reading and experiment execution.
- Conduct experiments to verify the effectiveness of the proposed idea and model structure, which is basically based on Diffusion Model to realize relational triple extraction.
- Focus on paper writing and accumulate additional experiments.

**Computational Law System AI-based Lab**

Shandong University, China

*Team Member*

12 2022 — 04 2023

- Scrape 11,000 comments containing specific keywords 'Confucius Institute' on Instagram.
- Information annotation of legal documents based on the Doccano Platform for information extration data sample.

## PROJECTS

---

**WeStudy Study Room Management System**

Shandong University, China

*Team Leader*

02 2023 — 05 2023

- Design the system based on software engineering principles.
- Develop frontend, backend, and WeChat mini program based on Vue and Spring Boot.

## PUBLICATIONS

---

**Conference paper**

# Under Review

- IPED: An Implicit Perspective for Relational Triple Extraction based on Diffusion Model, NAACL 2024  
Jianli Zhao, Changhao Xu and Bin. Jiang  
(ARR rating: 3, 3.5, 4, meta 4)

## SELECTED COURSES

---

### Bachelor's Courses

- Database System (Scores: 92/100)
- Discrete Mathematics (Scores: 89/100)
- Data Structure (Scores: 99/100)
- Machine Learning (Scores: 86/100)
- Deep Learning (Scores: 91/100)
- Computer Network (Scores: 86/100)
- Java Programming (Scores: 99/100)
